

# Budapest heros

On 23 October 1956 in Budapest it started the riot against Russian occupation .Many participants were students and labourers who together with the pole people manifested against the

invaders.

After that day it started the clashes between Russian army and Hungarian rebels The leader of communist party ordered to the police to shot on the crowd .In those days twelve people were killed .The manifesting people took the weapons from the police and they didn't oppose resistance to stop the uprising. In the night tanks of the Russian army entered Budapest .On 31<sup>st</sup> October the tanks withdrew from Budapest .The Russian government deceived the Hungarians assuring them with the withdrawal but after four days the soviet tanks attacked Budapest and the people defended the city with light weapons and Molotov bombs .In this last attack many people died and Hungarian labourers went on strike for one month, and after that all people were condemned to capital punishment The Russian occupation lasted for 32 years and this time approximately 50000 Hungarians died. These people are true heroes because have fought for the liberty of their nation honouring ideals as liberty and

patriotism at the cost of their lives. **The world doesn't have to forget the**
