

Roger Federer

My favourite hero is Roger Federer : he is a Swiss tennis professional, ranked world N.1
In 2008 he was named Laureus World Sportsman of the Year for a record fourth consecutive time.
Federer has won twelve Grand Slam singles titles (three Australian Open, five Wimbledon, four US Open), four Tennis Masters Cup titles, and fourteen ATP Masters Series titles.
He has appeared in a record ten consecutive Grand Slam men's singles finals (2005 Wimbledon Championships through to 2007 U.S. Open).
Federer started playing tennis at the age of six . He also played football until the age of twelve when he decided to focus solely on tennis. At fourteen, he became the national champion of all groups in Switzerland and was chosen to train at the Swiss National Tennis Center.
Roger Federer holds a number of records in tennis history, the most prominent of which is that he has won the Australian Open, the Championships, Wimbledon, and the U.S. Open in the same year three times; in 2004, 2006, and 2007.
To win a lot is not from all, that's why I think he is a hero.
