Michael Schumacher was born in Hurth-Her Mulheim in Germany, January 3rd 1969.

He began his career as a pilot competing on the go-kart, and thanks to his talent he passed in 1991 to F1. After having won two world titles with the Benetton in the 1996 Schumacher passed to most famous team in his history and his victories : Ferrari.

Ferrari had not won world titles since 1979 up to when Michael Schumacher in 2000 brought the world title to Maranello after 21 years, and remained champion of the world in 2001/02/03/04.

In 2007 Schumacher left F1 from pilot for devoting further to the family and the poorest people.

In fact Schumacher is known as a pilot but he is also known as a generous sensitive person and altruist who has made donations to help poor children ,who has given 10 million dollars to the victims of the tsunami and many other good actions. He is my hero because he has made my dream. he has made me fall in love some motors and because he is a pilot that will remain in the history.

Michael Schumacher is a great pilot and a great heart.
